ABOUT PROJECT

In this Project, there is a website of university and it contains all the information about university. There is a home page, when we click on home it gives information about courses, university campus, all facilities provided by university are shown and at last the reviews of students are also given here. There is a enroll option also, if anyone want to enroll then they can take all information regarding this by clicking on contact us button. In about section when we click on explore now, then we are able to see that how the best university is this, about ranking of university. On clicking the contact icon we can see the map of university here and we can send any message also here.
